SORGHUM PROMOTION, RESEARCH, AND INFORMATION BOARD

§ 1221.100 Establishment and representation.

There is hereby established a Sorghum Promotion, Research, and Information Board, hereinafter called the Board. Representation includes, but is not limited to, fixed State seats determined by total production with at-large seats to allow representation from a broad geographical area. The Board shall initially be composed of 13 representatives, with the maximum number of producers from one State limited to 6, appointed by the Secretary from nominations as follows:

(a) The largest production State based on total production shall have 5 sorghum producers to serve as representatives.

(b) The second largest production State based on total production shall

have 3 sorghum producers to serve as representatives.

(c) The third largest production State based on total production shall have one sorghum producer to serve as a representative.

(d) There shall be 4 sorghum producers to serve as at-large national representatives with at least two representatives appointed from States not described in paragraphs (a), (b), and (c) of this section.

(e) If the value of assessments on imported sorghum reaches or exceeds the production of the third largest sorghum production State, there shall be one importer to serve as a representative plus an additional at-large national representative, with the maximum number of producers from one State being increased from six to seven.

(f) At least once every 5 years, the Board will review the geographical distribution of production of sorghum in the United States, the production of sorghum in the United States, and the value of assessments on sorghum imported into the United States. The review will be based on Board assessment records and statistics from the USDA. If warranted, the Board may recommend to the Secretary that representation on the Board be altered to reflect any changes in geographical distribution of domestic sorghum production. If, in the review, the Board determines that the value of assessments on sorghum imported into the United States exceeds 15 percent of the production of sorghum, the Board shall recommend to the Secretary that the nomination procedures and appointments to the Board be altered as necessary or appropriate to facilitate the equitable representation of importers on the Board.

§ 1221.101 Nominations.

All nominations authorized under this section shall be made in the following manner:

(a) Nominations for State-specific and at-large national seats shall be obtained by the Secretary from eligible organizations certified under § 1221.107. Certified eligible organizations representing producers in a State, or when making nominations for at-large seats,

shall submit to the Secretary at least two nominees for each vacant seat. If the Secretary determines that a State is not represented by a certified eligible organization, then the Secretary may solicit nominations from other organizations or other persons residing in the State.

(b) If so required pursuant to § 1221.100(f), at least two nominations for the importer representative shall be submitted by the Board to the Secretary.

(c) After the establishment of the initial Board, the Secretary shall announce when a vacancy does or will exist. Nominations for subsequent Board representatives shall be submitted to the Secretary not less than 90 days prior to the expiration of the terms of the representatives whose terms are expiring, in the manner as described in this section. In the case of vacancies due to reasons other than the expiration of a term of office, successor Board members shall be appointed pursuant to section 1221.105.

(d) When there is more than one certified eligible organization representing a State or when the Secretary solicits nominations from organizations and persons residing in that State, or when eligible certified organizations are nominating persons for at-large positions, eligible certified organizations may caucus and jointly nominate two qualified producers for each position on the Board for which a representative is to be appointed. If joint agreement is not reached with respect to any such nominations, or if no caucus is held, each eligible organization may submit to the Secretary two nominees for each appointment to be made to represent that State, or to fill an at-large position.

§ 1221.102 Nominee's agreement to serve.

Any producer or person nominated to serve on the Board shall file with the Secretary at the time of the nomination a written agreement to:

- (a) Serve on the Board if appointed;
- (b) Disclose any relationship with any sorghum promotion entity or with any organization that has or is being considered for a contractual relationship with the Board; and

§ 1221.103

(c) Withdraw from participation in deliberations, decision-making, or voting on matters that concern the relationship disclosed under paragraph (b) of this section.

§ 1221.103 Appointment.

From the nominations made pursuant to § 1221.101, the Secretary shall appoint the representatives of the Board on the basis of representation provided in § 1221.100.

§ 1221.104 Term of office.

(a) The term of office for the representatives of the Board shall be three years, except for the initial term, pursuant to paragraph (c) of this section.

(b) Representatives may serve a maximum of 2 consecutive 3-year terms.

(c) When the Board is first established, the Secretary shall establish staggered terms as follows:

(1) Largest Production State—2 representatives shall serve a 2-year term, 1 representative shall serve a 3-year term, and 2 representatives shall serve a 4-year term.

(2) Second Largest Production State—1 representative shall serve a 2-year term, 1 representative shall serve a 3-year term, and 1 representative shall serve a 4-year term.

(3) Third Largest Production State—The representative shall serve a 3-year term.

(4) At-large national—1 representative shall serve a 2-year term, 2 representatives shall serve a 3-year term, and 1 representative shall serve a 4-year term.

(5) States with multiple representatives shall have their staggered terms assigned by the Secretary. At-large national representatives shall also have their staggered terms assigned by the Secretary.

(6) Representatives serving initial terms of 2 or 4 years shall be eligible to serve a single term of 3 years after their initial 2- or 4-year term.

(d) Each representative shall continue to serve until a successor is appointed by the Secretary and has accepted the position.

(e) Any successor appointed pursuant to § 1221.105 serving 1 year or less may serve two consecutive 3-year terms.

7 CFR Ch. XI (1–1–09 Edition)

§ 1221.105 Vacancies.

To fill any vacancy occasioned by the death, removal, resignation, or disqualification of any member of the Board, a successor for the unexpired term of such representative shall be appointed by the Secretary pursuant to § 1221.103 from the most recent list of nominations for the position pursuant to § 1221.101 or the Secretary shall request nominations for a successor pursuant to § 1221.101, except that said nomination and replacement shall not be required if an unexpired term is less than 6 months.

§ 1221.106 Removal.

If the Secretary determines that any person appointed under this part fails or refuses to perform his or her duties properly or engages in an act of dishonesty or willful misconduct, the Secretary shall remove the person from office. A person appointed under this part or any employee of the Board may be removed by the Secretary if the Secretary determines that the person's continued service would be a detriment to the purposes of the Act.

§ 1221.107 Certification of organizations.

(a) The eligibility of State, regional, or national organizations to participate in making nominations for membership on the Board shall be certified by the Secretary. Those organizations that may seek certification include:

(1) State-legislated sorghum promotion, research, and information organizations;

(2) Organizations whose primary purpose is to represent sorghum producers within a State, region, or at the national level; or,

(3) Organizations that have sorghum producers as members.

(b) Such eligibility shall be based, in addition to other information, upon a report submitted by the organization that shall contain information deemed relevant and specified by the Secretary for the making of such determination, including the following:

(1) The geographic territory covered by the organization's active membership;

(2) The nature and size of the organization's active membership, proportion

of active membership accounted for by producers, a map showing the sorghum producing counties in which the organization has active members, the volume of sorghum produced in each such county, the number of sorghum producers in each such county, and the size of the organization's active sorghum producer membership in each such county;

(3) The extent to which the sorghum producer membership of such organization is represented in setting the organization's policies;

(4) Evidence of stability and permanency of the organization;

(5) Sources from which the organization's operating funds are derived;

(6) The functions of the organization; and

(7) The ability and willingness of the organization to further the purpose and objectives of the Act.

(c) The primary consideration in determining the eligibility of an organization shall be whether its sorghum producer membership consists of a sufficiently large number of sorghum producers who produce a relatively significant volume of sorghum to reasonably warrant its participation in the nomination of State specific and national at-large members to the Board. Any sorghum producer organization found eligible by the Secretary under this section shall be certified by the Secretary, and the Secretary's determination as to eligibility shall be final.

§ 1221.108 Procedure.

(a) At a Board meeting, it will be considered a quorum when a simple majority of the voting representatives are present.

(b) At the start of each fiscal period, the Board will approve a chairperson, vice chairperson, and secretary/treasurer who will conduct meetings throughout that period.

(c) All Board representatives and the Secretary or the Secretary's designee will be notified at least 30 days in advance of all Board and committee meetings, unless an emergency meeting is declared.

In that event, all representatives must be notified and provided the opportunity to vote. Any action so taken shall have the same force and effect as though such action had been taken at a properly convened meeting of the Board. All telephone votes shall be confirmed promptly in writing. All votes shall be recorded in Board minutes.

(g) There shall be no voting by proxy.

(d) To employ persons, other than the representatives, as the Board considers necessary to assist the Board in carrying out its duties and to determine the compensation and specify the duties of such persons;

(e) To develop programs, plans, and projects, and enter into contracts or agreements, which must be approved by the Secretary before becoming effective, for the development and carrying out of programs, plans, or projects of research, information, or promotion, and the payment of costs thereof with funds collected pursuant to this subpart. (2) The contractor or agreeing party shall keep accurate records of all its transactions and make periodic reports to the Board of activities conducted, submit accounting for funds received and expended, and make such other reports as the Secretary or the Board may require;

(3) The Secretary may audit the records of the contracting or agreeing party periodically; and

(4) Any subcontractor who enters into a contract with a Board contractor and who receives or otherwise uses funds allocated by the Board shall be subject to the same provisions as the contractor.

(j) To act as intermediary between the Secretary and any producer, first handler or importer;

(k) To furnish to the Secretary any information or records that the Secretary may request;

(l) To receive, investigate, and report to the Secretary complaints of violations of the Order;

(m) To recommend to the Secretary such amendments to the Order as the Board considers appropriate; and with the approval of the Secretary, to make rules and regulations to effectuate the terms and provisions of this subpart;

(n) To work to achieve an effective, continuous, and coordinated program of promotion, research, consumer information, evaluation, and industry information designed to strengthen the sorghum industry's position in the marketplace; maintain and expand existing markets and uses for sorghum; and to carry out programs, plans, and projects designed to provide maximum benefits to the sorghum industry;

(h) The Board shall allocate an appropriate amount each year to allow for payment of future referendums.

(i) The Board shall reimburse the Secretary for all expenses incurred by the Secretary in the implementation, administration, and supervision of the Order, including all referendum costs in connection with the Order.

(j) The Board shall determine annually an allocation amount no less than 15 percent but no more than 25 percent of the total assessments collected on all sorghum available for any fiscal period, less the expenses pursuant to paragraph (i), for use by qualified sorghum producer organizations pursuant to § 1221.128 for State programs of generic promotion, research, and information. Amounts allocated by the Board for State generic promotion, research, and information programs will be based on requests submitted to the Board by qualified sorghum producer organizations when it is determined that these requests meet the goals and objectives stated in the Act and Order. The request shall include detailed programs, plans, or projects with budgets. Qualified sorghum producer organizations shall not submit requests for State generic promotion, research, and information programs that exceed the annual allocation amount determined by the Board which shall be the product of:

(1) The State's proportional contribution based on reports submitted by first handlers pursuant to § 1221.124(a) to total assessments remitted on all sorghum for the previous fiscal period; multiplied by

(2) The total assessments collected on all sorghum for the previous fiscal period less expenses pursuant to paragraph (i) of this section.

(k) The Board may not expend for administration, maintenance, and functioning of the Board in any fiscal period an amount that exceeds 10 percent of the assessments and other income received by the Board for that fiscal period except for the initial fiscal period. Reimbursements to the Secretary required under paragraph (i) of this section are excluded from this limitation on spending.

(l) The Board shall allocate all other funds available for any fiscal period, to the extent practicable, subject to paragraphs (g), (h), (i), (j), and (k) of this section on programs, plans, or projects, as provided for in § 1221.121.

(m) The Board shall determine annually the allocation of total funds pursuant to this section, with the approval of the Secretary.

§ 1221.113 Financial statements.

(a) As requested by the Secretary, the Board shall prepare and submit financial statements to the Secretary on a monthly basis. Each such financial statement shall include, but not be limited to, a balance sheet, income statement, and expense budget. The expense budget shall show expenditures during the time period covered by the report, fiscal period-to-date expenditures, and the unexpended budget.

(b) Each financial statement shall be submitted to the Secretary within 30 days after the end of the time period to which it applies.

(c) The Board shall submit annually to the Secretary an annual financial statement within 90 days after the end of the fiscal period to which it applies.

§ 1221.114 Operating reserve.

The Board may establish an operating monetary reserve and may carry over to subsequent fiscal period excess funds in a reserve so established, *provided* that funds in the reserve shall not exceed one fiscal period's anticipated expenses.

§ 1221.115 Investment of funds.

The Board may invest, pending disbursement, funds it receives under this subpart, only in obligations of the United States or any agency of the United States; general obligations of any State or any political subdivision of a State; interest bearing accounts or certificates of deposit of financial institutions that are members of the Federal Reserve system; or obligations that are fully guaranteed as to principal and interest by the United States.

§ 1221.116 Assessments.

(a) The funds to cover the Board's expenses shall be paid from assessments on producers and importers, donations from any person not subject to assessments under this Order, and other funds available to the Board and subject to the limitations contained therein.

(b) First handlers of domestic sorghum shall be responsible for collecting assessments from producers on all domestically handled sorghum. This includes sorghum of the first handler's

own production. Grain pledged as collateral for a Commodity Credit Corporation price support loan program shall be considered handled sorghum. A first handler shall not collect an assessment on sorghum from a producer when said producer presents documentation demonstrating that an assessment has previously been collected on said sorghum.

(c) The following assessment rates for sorghum shall apply:

(1) Grain sorghum shall be initially assessed at a rate of 0.6 percent of net market value received by the producer pursuant to paragraph (e) of this section; and

(2) Sorghum forage, sorghum hay, sorghum haylage, sorghum billets, and sorghum silage shall be initially assessed at a rate of 0.35 percent of net market value received by the producer pursuant to paragraph (e) of this section.

(d) Importers of sorghum shall pay an assessment to the Board through Customs on sorghum imported into the United States. The following apply to imported sorghum:

(1) The assessment rates for imported sorghum shall be the same or equivalent to the rates for sorghum produced in the United States.

(2) The import assessment shall be uniformly applied to imported sorghum that is identified by the numbers 1007.00.0020 and 1007.00.0040 in the Harmonized Tariff Schedule of the United States.

(3) The assessments due on imported sorghum shall be paid when the sorghum enters the United States.

(4) If Customs does not collect an assessment from an importer, the importer is responsible for paying the assessment to the Board.

(e) The Board will review the assessment rates and may make recommendations to modify the assessment rates to the Secretary. Assessment rates may be raised or lowered no more than 0.2 percent of net market value received by producers and importers in any one calendar year. The maximum assessment rate cannot exceed 1 percent of the net market value received by producers and importers.

(f) Each person responsible for collecting assessments under paragraph

(b) of this section shall remit the amount due to the Board in such a manner as required by regulations recommended by the Board and prescribed by the Secretary.

(g) Any unpaid assessment due to the Board pursuant to this section shall be increased 2 percent each month beginning with the day following the date such assessments were due. Any remaining amount due, which shall include any unpaid charges previously made pursuant to this paragraph, shall be increased at the same rate on the corresponding day of each month thereafter until paid. For the purposes of this paragraph, any assessment determined at a later date than the date prescribed by this subpart because of a person's failure to timely submit a report to the Board shall be considered to have been payable by the date it would have been due if the report had been filed timely. The timeliness of a payment to the Board shall be based on the applicable postmark date or the date actually received by the Board.

(h) An additional charge shall be imposed on any person subject to a late payment charge in the form of interest on the outstanding portion of any amount for which the person is liable. The rate of interest shall be prescribed by the Secretary.

(i) Persons failing to remit total assessments due in a timely manner may also be subject to actions under Federal debt collection procedures.

(j) The Board may authorize other organizations to collect assessments on its behalf with the approval of the Secretary.

(k) The collection of assessments pursuant to this section shall begin with respect to sorghum handled on or after the effective date established by the Secretary and shall continue until terminated or suspended by the Secretary.

(l) If the Board is not in place by the date the first assessments are to be collected, the Secretary shall have the authority to receive assessments and invest them on behalf of the Board, and shall pay such assessments and any interest earned to the Board when it is formed. The Secretary shall have the authority to promulgate rules and regulations concerning assessments and

§ 1221.117

7 CFR Ch. XI (1–1–09 Edition)

the collection of assessments, if the Board is not in place or is otherwise unable to develop such rules and regulations.

(m) Payment remitted pursuant to this subpart shall be in the form of a negotiable instrument made payable to the Board. Such remittances and the reports specified in §§ 1221.124 and 1221.125 shall be mailed to the location designated by the Board.

§ 1221.117 Exemptions.

(a) Any importer of less than and including 1,000 bushels of grain sorghum or 5,000 tons of sorghum forage, sorghum hay, sorghum haylage, sorghum billets, or sorghum silage per calendar year may claim an exemption from the assessment required under § 1221.116.

(b) An importer desiring an exemption shall apply to the Board, on a form provided by the Board, for a certificate of exemption. An importer shall certify that the importer will import less than and including 1,000 bushels of grain sorghum or 5,000 tons of sorghum forage, sorghum hay, sorghum haylage, sorghum billets, or sorghum silage.

(c) Upon receipt of an application, the Board shall determine whether an exemption may be granted. The Board then will issue, if deemed appropriate, a certificate of exemption to each person who is eligible to receive one. It is the responsibility of these persons to retain a copy of the certificate of exemption.

(d) Importers who receive a certificate of exemption shall be eligible for reimbursement of assessments collected by Customs. These importers shall apply to the Board for reimbursement of any assessments paid. No interest will be paid on the assessments collected by Customs. Requests for reimbursement shall be submitted to the Board within 90 days of the last day of the calendar year the sorghum was actually imported.

(e) Any person who desires an exemption from assessments for a subsequent calendar year shall reapply to the Board, on a form provided by the Board, for a certificate of exemption.

(f) The Board may require persons receiving an exemption from assessments to provide to the Board reports on the

disposition of exempt sorghum and, in the case of importers, proof of payment of assessments.

(g) A producer or importer who operates under an approved National Organic Program (NOP) (7 CFR part 205) system plan; produces or imports only products that are eligible to be labeled as 100 percent organic under the NOP, except as provided for in paragraph (m) of this section; and is not, or does not import products from, a split operation shall be exempt from the payment of assessments.

(h) To apply for an exemption under this section, the applicant shall submit the request to the Board or other party as designated by the Board, on a form provided by the Board, at any time initially and annually thereafter on or before January 1 as long as the applicant continues to be eligible for the exemption.

(i) The request shall include the following: The applicant's name and address, a copy of the organic farm or organic handling operation certificate provided by a USDA accredited certifying agent as defined in section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502), a signed certification that the applicant meets all of the requirements specified for an assessment exemption, and such other information as may be required by the Board and with the approval of the Secretary.

(j) If the applicant complies with the requirements of this section, the Board or designee will grant the exemption and issue a Certificate of Exemption to the applicant. The Board will have 30 days from the date of receiving the request to approve the exemption request. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same timeframe.

(k) The producer or importer shall provide a copy of the Certificate of Exemption to each first handler. The first handler shall maintain records showing the name and address of the exempt producer or importer and the exemption number assigned by the Board.

(l) The exemption will apply at the first reporting period following the issuance of the exemption.

Agricultural Marketing Service, USDA

§ 1221.120

(m) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer or importer from exemption under this section, except that producers or importers who produce or import both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chemical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR Part 205, provided all other criteria are met.

§ 1221.118 Refund escrow accounts.

(a) The Board shall establish an interest bearing escrow account with a financial institution that is a member of the Federal Reserve System and will deposit into such account an amount equal to the product obtained by multiplying the total amount of assessments collected by the Board during the period beginning on the effective date of the Order and ending on the date the Secretary announces the results of the required referendum by ten percent (10 percent).

(b) Upon failure of the required referendum, the Board shall pay refunds of assessments to eligible persons requesting refunds during the period beginning on the effective date of the Order and ending on the date the Secretary announces the results of the required referendum in the manner specified in paragraph (c) of this section.

(c) If the amount deposited in the escrow account is less than the amount of refunds requested, the Board shall prorate the amount deposited in such account among all eligible persons who request a refund of assessments paid no later than 90 days after the required referendum results are announced by the Secretary.

(d) If the Order is approved by the required referendum conducted under § 1221.130 then:

(1) The escrow account shall be closed; and

(2) The funds shall be available to the Board for disbursement under § 1221.112.

§ 1221.119 Refunds.

Any producer or importer from whom an assessment is collected and remitted to the Board, or who pays an assessment directly to the Board, under authority of the Act and this subpart through the announcement of the results of the required referendum, upon failure of the required referendum shall have the right to receive from the Board a refund of such assessment, or a prorated share thereof, upon submission of proof satisfactory to the Board that the producer or importer paid the assessment for which refund is sought. Any such demand shall be made by such producer or importer in accordance with the provisions of this subpart and in a manner consistent with regulations recommended by the Board and prescribed by the Secretary.

§ 1221.120 Procedure for obtaining a refund.

Upon failure of the required referendum, each producer or importer who paid an assessment pursuant to this subpart during the period beginning on the effective date of the Order and ending on the date the required referendum results are announced may obtain a refund of such assessment only by following the procedures prescribed in this section and any regulations recommended by the Board and prescribed by the Secretary:

(a) A producer or importer shall obtain a Board-approved refund application form from the Board. Such forms may be obtained by written request to the Board and the request shall bear the producer's or importer's signature or properly witnessed mark.

(b) Any producer or importer requesting a refund shall submit an application on the prescribed form to the Board within 60 days from the date the assessments were paid by such producer or importer but no later than the date the results of the required referendum are announced by the Secretary. The refund application shall show:

(1) Producer's or importer's name and address;

- (2) Name and address of the person who collected applicant's assessment;
 - (3) Number of bushels or tons of sorghum on which a refund is requested;
 - (4) Total amount of refund requested;

- (c) The documentation provided pursuant to § 1221.125(b) to the producer by the first handler responsible for collecting an assessment pursuant to this subpart, or a copy thereof, or such other evidence deemed satisfactory to the Board, shall accompany the producer's refund application. An importer must submit documentation showing that the assessment was paid along with a copy of the appropriate Customs form stating the net market value of the sorghum.
- (d) The Board shall initiate payment of refund requests, or pay a prorated share thereof, within 90 days of the date the results of the required referendum are released by the Secretary. Refunds shall be paid in a manner consistent with § 1221.119.

PROMOTION, RESEARCH, AND
INFORMATION

§ 1221.121 Programs, plans, and projects.

- (a) The Board shall receive and evaluate, or on its own initiative develop, and submit to the Secretary for approval any program, plan, or project authorized under this subpart. Such programs, plans, or projects shall provide for:

 - (2) The establishment and conduct of research with respect, but not limited to: The yield, use, nutritional value and benefits, sale, distribution, and marketing of sorghum, and the creation of new products thereof, to the end that the marketing and use of sorghum may be encouraged, expanded, improved, or made more acceptable; and to advance the image, desirability, or quality of sorghum.

- (b) No program, plan, or project shall be implemented prior to its approval by the Secretary. Once a program, plan, or project is so approved, the Board shall take appropriate steps to implement it.
- (c) Each program, plan, or project implemented under this subpart shall be reviewed or evaluated periodically by the Board to ensure that it contributes to an effective program of promotion, research, or information. If it is found by the Board that any such program, plan, or project does not contribute to an effective program of promotion, research, or information, then the Board shall terminate such program, plan, or project.
- (d) No program, plan, or project including advertising shall be false or misleading or disparaging to another agricultural commodity. Sorghum of all origins shall be treated equally.

§ 1221.122 Independent evaluation.

Pursuant to the Federal Agriculture Improvement and Reform Act of 1996 (7 U.S.C. 7401), the Board shall, not less often than every five years, authorize and fund, from funds otherwise available to the Board, an independent evaluation of the effectiveness of the Order and other programs conducted by the Board pursuant to the Act. The Board shall submit to the Secretary, and make available to the public, the results of each periodic independent evaluation conducted under this paragraph.

§ 1221.123 Patents, copyrights, inventions, trademarks, information, publications, and product formulations.

- (a) Any patents, copyrights, inventions, trademarks, information, publications, or product formulations developed through the use of funds collected by the Board under the provisions of this subpart shall be the property of the U.S. Government, as represented by the Board, and shall, along with any rents, royalties, residual payments, or other income from the rental, sales, leasing, franchising, or other uses of such patents, copyrights, inventions, trademarks, information, publications, or product formulations, inure to the benefit of the Board; shall be considered income subject to the same fiscal,

budget, and audit controls as other funds of the Board; and may be licensed subject to approval by the Secretary. Upon termination of this subpart, § 1221.132 shall apply to determine disposition of all such property.

(b) Should patents, copyrights, inventions, trademarks, information, publications, or product formulations be developed through the use of funds collected by the Board under this subpart and funds contributed by another organization or person, ownership and related rights to such patents, copyrights, inventions, trademarks, information, publications, or product formulations shall be determined by agreement between the Board and the party contributing funds towards the development of such patents, copyrights, inventions, trademarks, information, publications, or product formulations in a manner consistent with paragraph (a) of this section.

Such records shall be maintained for at least 2 years beyond the fiscal period of their applicability.

(b) Each first handler responsible for collecting assessments pursuant to this subpart is required to give the producer from whom the assessment was collected, written evidence of payment of the assessment paid pursuant to this subpart. Such written evidence serving as a receipt shall include, but not be limited to, the following information:

is appropriate to the administration or enforcement of the Act, subpart, or any regulation issued under the Act. In addition, the Secretary may authorize the use, under this part, of information regarding producers, first handlers, or importers, that is accumulated under laws or regulations other than the Act or regulations issued under the Act.

§ 1221.127 Confidential treatment.

All information obtained from books, records, or reports under the Act and this part shall be kept confidential by all persons, including all employees and former employees of the Board, all officers and employees and former officers and employees of contracting and subcontracting agencies or agreeing parties having access to such information. Such information shall not be available to Board representatives, first handlers, producers, or importers. Only those persons having a specific need for such information to effectively administer the provisions of this subpart shall have access to such information. Only such information so obtained as the Secretary deems relevant shall be disclosed by them, and then only in a judicial proceeding or administrative hearing brought at the direction, or on the request, of the Secretary, or to which the Secretary or any officer of the United States is a party, and involving this subpart. Nothing in this section shall be deemed to prohibit:

QUALIFICATION OF SORGHUM PRODUCER ORGANIZATIONS

§ 1221.128 Qualification.

(a) Organizations receiving qualification from the Secretary will be entitled to submit requests for funding to

the Board pursuant to § 1221.112(j). Only one sorghum producer organization per State may be qualified.

(b) State-legislated sorghum promotion, research, and information organizations may request qualification and will be considered first for qualification by the Secretary.

(c) If a State-legislated sorghum promotion, research, and information organization does not elect to seek qualification from the Secretary within a specified time period as determined by the Secretary, or does not meet eligibility requirements as specified by the Secretary, then any State sorghum producer organization whose primary purpose is to represent sorghum producers within a State, or any other State organization that has sorghum producers as part of its membership, may request qualification.

(d) Qualification shall be based, in addition to other available information, upon a factual report submitted by the organization that shall contain information deemed relevant and specified by the Secretary for the making of such determination, including the following:

(1) The geographic territory covered by the organization's active membership;

(2) The nature and size of the organization's active membership, proportion of active membership accounted for by producers, a map showing the sorghum-producing counties in which the organization has active members, the volume of sorghum produced in each such county, the number of sorghum producers in each such county, and the size of the organization's active sorghum producer membership in each such county;

(3) The extent to which the sorghum producer membership of such organization is represented in setting the organization's policies;

(4) Evidence of stability and permanency of the organization;

(5) Sources from which the organizations operating funds are derived;

(6) The functions of the organization; and

(7) The ability and willingness of the organization to further the purpose and objectives of the Act.

(e) The primary consideration in determining the eligibility of an organization shall be whether its sorghum producer membership consists of a sufficiently large number of sorghum producers who produce a relatively significant volume of sorghum to reasonably warrant its qualification to submit requests for funding to the Board. Any sorghum producer organization found eligible by the Secretary under this section will be qualified by the Secretary, and the Secretary's determination as to eligibility shall be final.
